Pasco County Sandbagging Stations Available

~~Self-serve sandbag sites open 24 hours~~

PASCO COUNTY, FL ---- Ahead of potential rain over the weekend, [Pasco County Government](#) is reminding you that two sandbag stations are available to help protect property in low-lying areas from potential flooding. Sand and sandbags are available at the following locations:

- **Pasco County Public Works (C-Barn)**
[30908 Warder Road](#), San Antonio
- **Magnolia Valley Golf Course**
[7223 Massachusetts Ave.](#), New Port Richey

Both sandbag locations are self-serve and are open 24 hours to Pasco County residents. Please bring a shovel, and be prepared to fill your own sandbags.

To watch a Pasco County video explaining how to properly fill and place sandbags, please click here: bit.ly/PascoSandbags.

For more information about preparing for disasters – including how to sign up for emergency notifications through [Alert Pasco](#) – please visit the Pasco County [Department of Emergency Management](#) website at: bit.ly/PascoEM, and follow us on Twitter at [@Pasco_FL_OEM](#).
